***Notes:**

A licensed physician or Health Dept. official is responsible for the content of this certificate. All dates must include month, day and year. In cases of natural immunity or Medical Exemption, the 4 digit year of infection, test or exemption must be filled in in the appropriate box(es).
The certificate is NOT valid without names of the child and a parent/guardian, date of expiration OR "X" in complete for school box, legible name and address of the physician or health department, certified by signature and a date of issue
A school or facility official is responsible for keeping a current valid certificate on file for each child in attendance. A certificate must be replaced within 30 days after expiration.
When a child leaves or transfers to another facility, the Certificate of Immunization should be given to a parent/guardian or sent to the new facility.
Detailed instructions for this form and immunization requirements by age are spelled out in policy guides 3231INS and 3231REQ distributed by the DHR.
